*Creating Customers
for Life™*

Over 50 full-time, certified technicians offering 24 hour/365 days a year emergency service.

SERVICE

“Bassett has been our preferred HVAC contractor for 30+ years. There are many reasons why, but what stands out most is the diverse resources that they provide – it’s truly a one stop shop. Repairs, fabrication, new installations, controls, plumbing, cost savings, to service contracts - Bassett provides it all. Bassett views their customers as partners and recognizes that if the customer is successful, Bassett is successful.”

Facilities Manager - J.J. Keller & Associates

Maintenance Services

24 hour maintenance service 365 days per year

Dispatch/Customer Service

Bassett Mechanical – a proven industry leader in maximizing the efficiency and reliability of your industrial refrigeration, HVAC and systems.
